Red Rackham's Treasure

THE forthcoming departure of the trawler *Sirius* is arousing speculation in sea-faring circles. Despite the close secrecy which is being maintained, our correspondent understands that the object of the voyage is nothing less than a search for treasure.

This treasure, once the hoard of the pirate Red Rackham, lies in the ship *Unicorn*, sunk at the end of the seventeenth century. Tintin, the famous reporter—whose sensational intervention in the Bird case made headline news—and his friend Captain Haddock, have discovered the exact resting-place of the *Unicorn*,

Hello!

Bad news, my friends. We've just heard that Max Bird has escaped!

What did I tell you?...
A good start, isn't it?
...

Yes, that troublesome antique dealer—he managed to give two policemen the slip when he was being taken for questioning.

That's bad...

There's a letter for you, Captain.

For me?... What's this about!

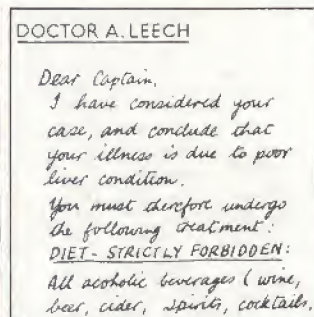

Billions of bilious blue blistering barnacles!

Is it bad news, Captain?

Read for yourself!
It's ghastly!

DOCTOR A. LEECH

Dear Captain,
I have considered your case, and conclude that your illness is due to poor liver condition.
You must therefore undergo the following treatment:
DIET- STRICTLY FORBIDDEN:
All alcoholic beverages (wine, beer, cider, spirits, cocktails,

Good-day, gentlemen! I hope I'm not intruding?

No? Well, I'm happy to tell you my machine is ready now.
When may I come aboard?

You can't come aboard! We aren't interested in your machine!
Tomorrow?

No not tomorrow! Never!

Today?... Good.
I'll go and fetch it at once.

We must behave like old sea-dogs ...

For a start, we'd better learn to chew tobacco. All old sea-dogs chew a quid. Here, have one of these...

What do we do, Captain? We're bearing down on that Fishing Fleet...

Give a blast on the siren; that'll warn them.

Goodness!... My tobacco!...

Mine... mine too ... I swallowed it!...

Next day ...

This has got to stop! ... Yes, it's got to stop!

Yes, Captain. Yesterday it was a box of biscuits! This morning a whole chicken has disappeared!

The wretched dog!

Snowy! ... Snowy! ... Where's he hiding? ... Snowy!

Snowy! ... Snowy! ...

Snowy!... Snowy!... Where on earth can he be hiding?...

You really saw him make off with the chicken?

Well, I didn't exactly see him, but I supposed...

You supposed!... You supposed!... Don't you accuse anyone of anything unless you have proof!... Besides, how do we know you didn't eat the chicken yourself?

That evening...

Good night. You might just keep an eye on Snowy.

Don't worry. I'll watch him! Good night. Captain...

THIEF!
SAME TO YOU

Crumbs! That's the two detectives...

What's going on here?...

It's him, Tintin!... He's stolen my pillow!

That's not true! It's him - he's taken one of my blankets!

Aren't you ashamed, at your age? Quarrelling over such trifles! Now, that's all over, isn't it?

Now let's go to bed!

Billions of blistering barnacles!

OH!

Great snakes!... He... he... why, he's drunk!

Snowy, what have you done? Pooh! Your breath smells of whisky!

Now come on!... Show us where you found the whisky...

All right... You... you want a d-d-d-drink too?

Look!

See, the bottle must have smashed up there. Let's investigate.

There!

Blistering barnacles! If I ever catch him!

Sh!... Listen...

ZZZ...ZZZ...ZZZ...

Someone is asleep in this life-boat!

Impossible: the lashings are secure... At least...

Blistering barnacles! The lashings are free this side! There's someone in this lifeboat!

Thank you, Captain, thank you very much! It's just what I expected from you... Such a kind welcome! You'll see - you won't regret it.

Some days later...

Look. We have reached the position indicated by the parchments. We should soon see the island off which the UNICORN sank...

Isn't the island marked on any charts?

No, but that sometimes happens with small, unimportant islands. Come on, we'll try to spot it...

I can't see anything yet... Can you?...

Nothing.

Can you see anything?...

Not yet. But there's a bottle of champagne for the first one to sight land!

Over there!

Where's the island? ... I can't see anything...

It was, Captain. A shark, I know it was! I saw one, I really did!

Still no sign... It's very strange...

What's the name of the island?

How should I know?... It's not marked on any of the charts.

Oh?... But you are sure we're near it?

Positive! I plotted the position yesterday at noon.

Yes, I see. But... er... supposing you made a mistake in your calculations...

Oh, so I made a mistake in my calculations, did I?... All right: they're on my table. Go and check them!... Yes, you! Now! Go on! Check them!

Tell me, Captain, was that a fish jumping out of the water just now?

No, it was a grand piano!

Ah, I didn't think it could have been a fish...

A few minutes later...

You must forgive me, Captain, but there really is a little mistake in your calculations. Look, this is where we are, exactly...

You are right... I have made a mistake. Gentlemen, please take off your hats...

Why must we take off our hats, Captain?...

Sh!...

? ?

Now...

But Captain, tell us what you mean...

Coxswain
at the wheel!
... Helm
hard a-port!
... Midships!
... Steer
due east.

Captain, what is hap-
pening? ... We seem
to be turning back.

Yes, Professor Cal-
culus, we're turn-
ing back.

Oh, that's all right
then ... I was afraid
we were turning
back.

How easy it is to be mistaken.
I'd have sworn we'd
turned back.

That evening...

There it is at last! Our
treasure island!

It's too late to go
ashore tonight. We'll
drop anchor, and to-
morrow we'll explore
the island ...

Right! ...

Next morning...

Haul the boat up the beach. I'm
going to reconnoitre.

Hello, what have they found?

These are the remains of the jolly-boat in which Sir Francis Haddock once came ashore on this island...

This certainly proves that we're nearing our goal. Red Rackham's treasure is out there at the bottom of the sea!... But now, shoes on, everyone, and let's carry on!

WOAH!

That's Snowy!... He ran on ahead!...

Where did you get that bone from Snowy?... Here, show us where you found it.

My word! It's meant to be
Sir Francis Haddock!

Look at that mouth! His voice
must have made an enormous
impression on the natives. I
can just imagine their faces the
first time they heard
him shout:
"Ration my
rum!"

RRRATION MY
RRRUM!

What's the matter,
Captain?

Who shouted
like that?

What?... Wasn't
it you?

No, it wasn't me! Thun-
dering typhoons!

Yes, it's Sir Francis
Haddock.

RRRATION MY
RRRUM!

It came from over there.

Not a soul!

This island is h-h-haunted,
Captain. Let's hurry back t-t-to
the sh-sh-ship.

To b-b-be precise: I-let's
hurry back t-t-to the
sh-sh-ship.

Pithecanthropus!...
Pockmark!...

Pockmark yourself, you gib-
bering ghost!

Next day ...

You've made up your mind ?

Yes... Professor Calculus has explained exactly how his machine works. It'll be all right ...

Stop! ... Just a minute! ...

[I forgot to tell you. When you locate the wreck, press the little red button on the left of the instrument panel. That releases a small canister attached underneath the machine. It is full of a substance that gives off thick smoke when it comes into contact with water. That will show us where the wreck lies.]

A little red button?... Right!

No, red! A little red button ... You've got it! Good ... Well, goodbye, and good luck!

There he goes: he's dived.

This is fun, eh Snowy ?

Golly, what a lot of water!

Let's hope nothing goes wrong...

Gone long? Why, it's only ten minutes since he dived...

Crumbs! What's happening?
The air supply has stopped!
...

Thundering typhoons! What are you two
doing there, instead
of pumping?

Us? We're resting...it's
tiring work, you know.

You infernal
impergonations
of Abominable
Snowmen!
Pump for your
lives!...Faster!

Whew!...That's better!
... Now the air's com-
ing again. That gave me
quite a fright...

Excuse me, Captain, but I don't
understand... Since the UNICORN is
not here, why has Tintin gone down?

He's picking daisies down
below!

Having a row?
I don't see a
boat?

Two jerks on the line!
He wants to come
up. I'm sure he must
have found some-
thing!

Heave-ho!... Heave-ho!

Here he is

What has he got?

A gold cross, encrusted with precious
stones!... and a cutlass!... I say,
this cross is superb!

We've made a good
start, eh?

Now why did he
tell me that
Tintin had gone
for a row?

What d'you think you're doing at this hour ?

You never ordered us to stop pumping, Captain. So here we are, pumping.

To be precise: we're pumping.

Off to bed, nitwits! You'll have plenty more pumping, believe me!

The next morning

Something tells me Tintin is going to find the treasure this morning.

Another bottle of rum!... I'll leave it there for the Captain.

Hello, I wonder what we've got here ?

A casket! Great snakes! Can it be Red Rackham's treasure?

I'll go straight up, and see what's inside this casket!

Well, what's the meaning of this little joke?

Little joke?... Just cut open that shark, Captain, and you'll see.

In any case, I believe the fins are particularly tasty...

A few minutes later...

Captain!... Captain!... Look what we found in the shark's stomach!

A casket!... A casket!... Red Rackham's treasure!... Here it is at last!

Quick, into my cabin!

Hm!... Not so easy! It's all rusted up.

It's no good, you'll snap the blade. Better try this case opener.

Good idea. Hold it tight, you two.

Go on! Go on: don't worry, we're holding it...

Got it!...

Billions of bilious blue blistering barnacles in a thundering typhoon!... It's not the treasure!

These are old documents, half eaten away by damp!

Documents? Fine! And what am I supposed to do with documents?

Come now, Captain, don't lose heart!... We'll continue our search.

What's the use?

What's hap-

Oh dear,
I'm right!

warn the
Captain!

Come on, Captain.
don't let this upset
you. It's bad luck.
I know, but you
must make the
best of it...

Captain!... Captain!...
The ship is sailing!

Well, what would
you like it to do?
Dance a jig?

Ah, I see now. At last
you have realised
that the UNICORN is
not where you were
looking; you are
steering westwards.
I understand..

I've had enough!
Come with me!

You see that, eh? I
suppose it's the figure-
head of the TITANIC!

My word, it's a unicorn!
But what about my pendulum,
which swung to the west?...
How extraordinary...

All right. Good.

Now, please let me thank
you, Captain. You have
been so very kind.

Oh, it was nothing.

Yes, yes, Captain. Thanks to
you, I shall always have unfor-

So shall I!

the news of our
departure?

It was!... And we
would like to publish

I ask you a few
questions?

Of course...

I'm rather busy myself. This
is my secretary, Mr. Calcul-
us; he will be happy to
answer all your inquiries.

Delighted...

Now Mr. Calculus, about the treas-
ure...

Oh, yes.

I'm sure you have it
there, in that suit-
case...

Thank you,
I'll carry it
myself.

I can understand
that!... Now tell me,
what does the treasure
consist of?

No?... Not
really?...

No, I asked you what
was in the treasure
you found. Was it
gold?... Pearls?...
Diamonds?

Incredible! I
don't believe a
word of it!

My ancestor had good taste, didn't
he? ... Now what about those famous
cellars you talked of? Where are
they?

Come with me ... I'll take
you there.

Look! Here we are!

Thundering typhoons!

What a lot of junk! ... All this junk!

Oh yes, the Bird brothers used this as a storeroom.

Look, that's St. John the Evangelist. We must be in an old chapel...

What do you think of it?

Incredibly!

Sh!... This time I'm sure I heard a noise!

It's gone... The footsteps have stopped... It's queer. I wonder...

What?

Why, whatever's the matter? What is it?

Hooray!

The Eagle's cross!... "And then shines forth the Eagle's cross"! There it is... the Eagle's cross...

The Eagle's cross?... I can see a cross, but where is the Eagle?

There, in front of you!

Yes there, look!... St. John the Evangelist - who is always depicted with an eagle... And he's called the Eagle of Patmos - after the island where he wrote his Revelation... He's the Eagle!

There's a globe!

And an eagle!... You're right! ...

Yes, yes. But I said: all's well that ends well. Don't you agree?

Your maritime gallery?... I think it is very successful!

Thanks. But I was just saying that our adventures had a happy ending. They've ended, and happily!...

No thank you. Never between meals.
